Combination Fire Department 2012 Run Survey

Community character:
I = Industrial
S = Suburban/bedroom
U = Urban
R = Rural
O = Other

Firehouse® Magazine and Volunteer & Combination Officers Section (VCOS) of the International Association of Fire Chiefs (IAFC) have compiled the third annual Combination Fire Department Run Survey, featuring statistics on apparatus fleets, budgets, membership and 2012 fire and EMS calls. We thank VCOS and the section chairman, Chief Timothy Wall, for their assistance in compiling the data, and we thank the chiefs and departments that participated.

The survey results that follow represent a sampling of the responses received. Complete results will be available soon at [ADD LINK FROM PETE](#).

Middle River Volunteer Fire Company Truck 221 and Baltimore County, MD, Fire Department Truck 15 operate at a three-alarm building fire.
