

FIRE DEPARTMENT STATISTICS

By Elizabeth Neroulas

Firehouse® Magazine proudly presents its 26th annual Volunteer Run Survey. For this year's survey, we received responses from volunteer fire departments in two dozen states. Listed here is a sampling from around the country.

Departments are listed alphabetically by name and state to make them easy to find. The EMS service listed for each department is the highest level provided. We thank the fire departments and fire chiefs who participated in this year's survey. If your volunteer department would like to participate next year, download the form from Firehouse.com or send a request on department letterhead to:
