<p>4. Current Situation: A hunter has been reported missing from last night. The wife and complainant has provided an area in the park where the hunter might be. All responding units are to stage at Woodside Lodge. A grid search is to be conducted by teams of 6-8 individuals with a line officer as team leader and a Massasauge SAR officer as a technical specialist.</p> <p>All searchers are to be properly dressed for field search and rescue operations with safety equipment, one radio per team, navigation Equipment, and personal protective equipment (safety glasses, helmet and gloves).</p> <p>During the initial deployment of the grid search teams, a report is received of a missing child. A hasty search will be launched with personnel in staging.</p> <p>Safety hazards to monitor include: uneven ground and holes with the possibility of falls and injury; ponding water; eye and face hazards.</p>
