

2021 Volunteer Run Survey

PHOTO BY MICHAELA RAINES

Firehouse proudly presents its 33rd annual Volunteer Fire Department Run Survey. For this year's survey, we received responses from more than 260 volunteer fire departments. Departments are listed alphabetically by name and state to make them easy to find.

The EMS service listed for each department is the highest level provided. We thank the fire departments and fire chiefs who participated in this year's survey. If your volunteer department would like to participate next year, please visit firehouse.com/annual-run-survey.
