A/C RECYCLERS

2013 A/C Equipment & Tools | www.snapon.com

ECOPACK ~~\$6,149.40~~ **\$4,395.00**

ECOPlus®: Performance Plus Economy

- Intuitive user interface, utilizes up/down screen menu options
- 4 line menu display guides technician through the complete service process
- Features fully automatic air purge, built-in oil injection and extra-long 135" hoses, which are very beneficial for heavy-duty applications
- Meets the SAE J-2788 standard of 95% refrigerant recovery and ±½ oz. charge accuracy
- Will save money on refrigerant use (up to 20%) and on fewer A/C repair call-backs
- ECOPACK includes: EEAC324B, EEAC325A1 extra filter-dryer, RTEMP8 infrared temp. gun and EEAC325ACV nylon cover

KOOLPACK ~~\$8,139.40~~ **\$5,785.00**

KOOLKARE® Plus: Fully Automatic and Programmable

- Complete start-to-finish auto sequence programmability
- Easy to use 4 button keypad guides technician through the complete service process
- Fully compliant with the SAE J-2788 standard for charge accuracy of ±½ oz. of refrigerant and 95% recovery efficiency
- Will save money on refrigerant used and on fewer A/C repair call-backs
- Features larger gauges, a larger 4 x 20 display, and vacuum leak test
- Has a vehicle database covering refrigerant and oil specs as a standard feature, giving you all the information you need for vehicles from 1995–2009
- Extra-long hoses have increased from 111" to 135", which is especially beneficial for heavy-duty applications
- KOOLPACK includes: EEAC325B, EEAC325A1 extra filter dryer, RTEMP8 infrared temp. gun and EEAC325ACV nylon cover

KOOLPACKHYBRID ~~\$8,465.70~~ **\$6,059.00**

Hybrid Recycler Pack

- Properly and safely service hybrid vehicles, a fast growing segment of the vehicle population. The sophistication of this machine enables the technician to service both hybrid and non-hybrid vehicles
- Meets new refrigerant recovery standards J-2788 for high voltage compressors
- A/C capacities database
- Automatic air purge
- Recovery accuracy ± 1.0 oz.
- Charge accuracy ± 0.5 oz.
- KOOLPACKHYBRID includes: EEAC325BH, EEAC325A1 extra filter dryer, RTEMP8 infrared temp. gun, and EEAC325ACV nylon cover

ACT120A ~~\$357.00~~ **\$239.95**
Blue-Point® Electronic Refrigerant Scale

- Use with R12 or R134a refrigerants
- Reads in pounds or kilograms
- Reads amount of refrigerant transferred from tanks during charging or recovery operations

EAK0030C01AB **\$113.00**
Master Dryer Kit

- For EEAC301B, EEAC304D, EEAC313A (R12 side), EEAC316A, EEAC318A, EEAC319A, EEAC320A

EAK0095C01AB **\$113.00**
Filter Dryer (Not Shown)

- For EEAC307C, EEAC308C, EEAC310A (R12 side)

EAK0030C02AB **\$123.00**
Master Dryer Kit (Not Shown)

- For EEAC313A (R134a side)

EAK0095C02AB **\$113.00**
Filter Dryer (Not Shown)

- For EEAC310A (R134a side)

ACTFILTER1
~~\$73.20~~ **\$59.95**
Blue-Point Replacement Filter Kit

- For ACTFILTERPL

EAK0029C01AB
\$171.00
Compressor Oil Change Kit

- Fits EEAC310A, EEAC313A, EEAC316A, and EEAC318A

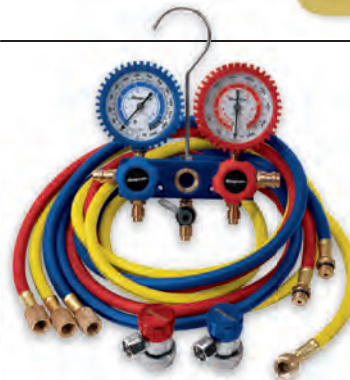

ACTR1234YF **\$341.50**
1234yf Manifold Set

- For vehicles using upcoming 1234yf refrigerant
- Red and blue nylon barrier hoses with 12mm-M fittings on both ends
- R1234yf high and low side couplers

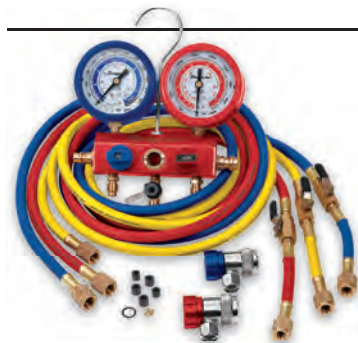

ACTR9600 ~~\$249.95~~ **\$229.95**
NEW Heavy Duty Truck/Bus Manifold Set

- Meets the needs of fleets, buses and agricultural equipment applications
- Heavy duty conversion couplers for durability
- 96" Goodyear® GY5 hoses for guaranteed quality

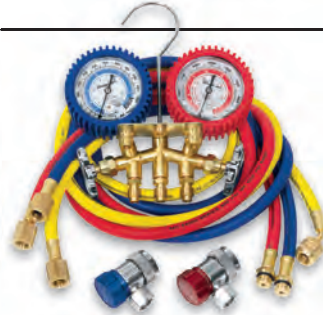

ACTR4151A
~~\$495.95~~ **\$154.95**
Manifold Gauge Set

- Manual couplers with a spring-loaded depressor
- Aluminum body with solid brass fittings
- High side and low side silicon anti-flutter gauges
- 72" red and blue; 96" yellow hoses

ACT51234A ~~\$279.50~~ **\$246.95**
Dual Refrigerant Manifold Test Gauge

- 72" red and blue; 96" yellow hoses
- Interchangeable between R12 and R134a
- Extra access port for vacuum line

ACTR4131A ~~\$180.95~~ **\$133.95**
Blue-Point Brass (R134a) Manifold Gauge Set

- Anti-flutter gauges
- Easy grip all-metal side mounted knobs
- Piston-type free floating valves
- 60" red, blue and yellow hoses

ACTR5134A
~~\$278.95~~ **\$237.95**
Manifold Gauge Set

- ¼ turn open/close manifold ball valves
- Manual high side and low side couplers
- Extra access port for vacuum line
- 72" red and blue; 96" yellow hoses

ACTR5150A
~~\$351.50~~ **\$257.95**
Blue-Point Digital (R134a) Manifold Gauge Set

- Displays refrigerant and oil capacities
- High quality aluminum block manifold with double O-ring and free floating piston valves
- 72" red, blue, yellow hoses

ACT1234PKT
~~\$196.40~~ **\$158.95**
Manifold Repair Kit

- Replacement lens, knobs, O-rings and gaskets
- Use to service the following: ACTR4151, ACT9500C, ACTR5134 and ACT51234

ACTR4772-2 ~~\$96.95~~ **\$51.50**
Low Side Quick Coupler (Blue)

ACTR4772-3 ~~\$96.95~~ **\$51.50**
High Side Quick Coupler (Red)

Limited quantities. Participating Representative only. Offer expires September 30, 2013. Offer cannot be combined with any other trade in or discount.
*Small Balance Extended Credit (SBEC) payments based on 26 weeks at 1%. Weekly payments are estimated with approved credit.

LEAK DETECTION

2013 A/C Equipment & Tools | www.snapon.com

ACT785B ~~\$393.95~~ **\$319.95** Electronic Refrigerant Gas Heated Sensor Leak Detector

- Unique digital alarm with numeric leak size indicator
- Long life, stable sensor with 3 adjustable sensitivity levels
- Inspection light utilizing bright 6,000 MCD LEDs
- SAE J2791 (R134a), SAE J2913 (HFO-1234yf), EN14624 and CE Certified
- Automatic and manual calibration and reset to ambient levels

\$12.34*
PER WEEK • 26 WEEKS TERMS

ACT795UVA ~~\$420.95~~ **\$381.95** Dual-Mode A/C Leak Detector: Electronic & UV Dye Fluorescence

- Patented 3 LED UV lights 385-415 nm wavelength for optimum air conditioning dye fluorescence
- Detects all commercially available dyes with no need of UV enhancement eye glasses
- Unique digital alarm with numeric leak size indicator
- SAE J2791 (R134a), SAE J2913 (HFO-1234yf), EN14624 and CE Certified
- Automatic and manual calibration and reset to ambient levels

\$14.73*
PER WEEK • 26 WEEKS TERMS

ACTUVQUADKT ~~\$126.50~~ **\$97.50** Blue-Point® UV Leak Detection Kit w/ Flex-Lite

- Includes: 4 LED UV light, mini dye injector, A/C dye cartridges, hose with R134a coupler, R12 Adaptor, 1 oz. of coolant dye, 1 oz. of oil/fuel/ATF dye, 10 A/C service labels and UV glasses

ACTUVC10 ~~\$36.05~~ **\$24.50** Dye Cartridge with A/C Service Labels

- 10 use dye cartridge and 10 labels for use with ACTUVQUADKT and the ACTUVDLK

ACT760B ~~\$299.00~~ **\$246.95** Electronic A/C Leak Detector

- Heated sensor technology
- Automatic / manual calibration and reset to ambient levels
- SAE J2791 (R134a), SAE J2913 (HFO-1234yf), EN14624 and CE Certified
- 3 adjustable sensitivity levels with long life, stable sensor

ACTUVDYKIT ~~\$334.85~~ **\$236.95** UV Leak Detection Kit

- Includes: high intensity light, dye injector, cartridge with 25 applications, hose with R134a coupler, R12 adaptor, 25 A/C service labels, dye cleaner, UV safety glasses and storage case

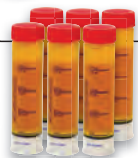

ACTUVKITA ~~\$441.95~~ **\$287.95** Blue-Point Brass (R134a) Manifold Gauge Set UV Leak Detection Kit

- Powerful 50W UV mini light and UV enhancing glasses can detect leaks up to 3 ft. away under any weather or wind condition
- Can detect leaks as slow as 1/4 oz. per year

ACTUVC25 ~~\$68.45~~ **\$49.95** Dye Cartridge With A/C Labels (Not Shown)

- 25 use dye cartridge and 25 labels for use with ACTUVDYKIT

ACTUVKITJR2 ~~\$77.30~~ **\$63.95** Blue-Point Six (6) 1 oz. Dye Cartridges

YAUV4N1 **\$40.45** Blue-Point Six (6) 1 oz. Dye Bottles (Not Shown)

ACTUVINJKT ~~\$152.25~~ **\$127.95** Blue-Point UV A/C Gun Style Leak Detection Kit

- Kit detects A/C refrigerant leaks quickly and easily
- Universal A/C dye is SAE certified and OEM approved
- Includes: Universal A/C dye ACTUVKITRHT to service up to 40 vehicles, exclusive gun style injector and dye cartridge, powerful 1W Luxeon light, R134a adaptor, UV glasses and service stickers

ACTUVKITRHT ~~\$52.75~~ **\$45.95** Four (4) 1 oz. Dye Cartridges (Not Shown)

ACTUVPROKT ~~\$159.95~~ **\$144.95** Metered UV Injection Kit

- A new technology dye injection solution
- One precise squeeze of trigger per application
- More accurate than caulk style guns
- Includes high-capacity 12 oz. cartridge that covers 96 applications

Includes
LARGER
12 oz. Dye
Cartridge

ACTUVPRO12 ~~\$58.50~~ **\$53.95** 12 oz. Dye Cartridge

- Replacement cartridge with 96 applications for use with ACTUVPROKT

ACTUVGUNA ~~\$219.30~~ **\$139.95** Blue-Point Injection Gun Kit

- Includes ACTUVGUNA3 Injection Gun, ACTUVGUNA8 Universal Dye Cartridge, R134a Injection Gun Adaptor and ACTUVGUNA7 R12 System Injection Gun Adaptor

ACTUVGUNA8 ~~\$92.95~~ **\$60.95** Blue-Point 8 oz. Universal A/C Dye Cartridge

- For use with ACTUVGUNA

ACTUVGUN2 ~~\$66.25~~ **\$44.50** Blue-Point 4 oz. Universal A/C Dye Cartridge

- For use with ACTUVGUNA

TRPTP3812 **\$84.00** Tracerline® Hybrid Dye Kit

- Specially formulated for use in all hybrid A/C systems
- Individually wrapped capsules to seal out moisture
- Includes hose with coupler and fittings

TRPTP3811301 **\$31.95** 3-Pack Capsules

TRPTP25 **\$15.55** Tracerline Refrigerant Dye Drip Plugs

- Soaks up residual dye in hose quickly
- Prevents messy toolboxes
- Fits in any standard R134a low-side coupler

VACUUM PUMPS / UV LIGHTS

www.snapon.com | 2013 A/C Equipment & Tools

ACT9005 ~~\$292.50~~ **\$215.95**
Blue-Point® 1.5 CFM Deep Rotary Vane Single Stage Vacuum Pump

- 1/4 HP, 120 VAC motor
- Ultimate vacuum of 100 microns
- 3 inlet port sizes: 1/4", 3/8" SAE and 1/2" ACME®

ACT9103 ~~\$276.30~~ **\$233.95**
Blue-Point 3.0 CFM Single Stage Vacuum Pump

- 1/4 HP, 120 VAC motor
- Ultimate vacuum is 75 microns
- 3 inlet port sizes: 1/4", 3/8" SAE and 1/2" ACME
- Gas ballast valve helps prevent oil contaminations

ACT9106 ~~\$310.45~~ **\$262.50**
Blue-Point 6.0 CFM Single Stage Vacuum Pump

- 1/4 HP, 120 VAC motor
- 3 inlet port sizes: 1/4", 3/8" SAE and 1/2" ACME
- Vapor discharge/oil fill port contains internal check valve to prevent escape of liquid oil

ACT9006 ~~\$467.95~~ **\$379.95**
Blue-Point 5.0 CFM Deep Rotary Vane 2-Stage Vacuum Pump

- 1/2 HP, 120 VAC motor
- Ultimate vacuum is 15 microns
- 3 inlet port sizes: 1/4", 3/8" SAE and 1/2" ACME
- Manifold valve isolates pump from the system testing for leaks

MSL69360 **\$1,699.95**
Mastercool® Twin Turbo Refrigerant Recovery Machine

- 1/2 HP oil less compressor
- Includes oil separation module, filter dryer and sight glass
- Recovery rate:
 - Direct vapor up to 0.39 kg/min.
 - Direct liquid up to 3.1 kg/min.
 - Push pull up to 8.1 kg/min.
- Operating temperature ranges 0° to 50°C

ECFUV17 ~~\$54.95~~ **\$49.95**
NEW Blue-Point 17 LED True UV Flashlight

- 380-385 nm UV wavelength
- 25,000 hour LED bulb life for excellent reliability
- Uses 3 AAA alkaline batteries for 22 hours run time
- Amber UV safety glasses also included

ACTUVMINI4 ~~\$63.20~~ **\$53.95**
Blue-Point Mini UV LED Flex Light with UV Goggles Kit

- Bright LED technology light
- Comfort grip light handle with conveniently located on/off button
- Compact light with 12" flexible probe gets in tight spots

ECFUVLEDA ~~\$119.95~~ **\$107.95**
NEW Blue-Point True UV Rechargeable Flashlight

- 400 nm wavelength - the "sweet spot" for A/C, oil and coolant dyes
- Focusing lens enables broad and narrow searches
- 95 minute run time at constant power output
- Plug-in charger and UV enhancing glasses included

ACTUVLED ~~\$119.55~~ **\$92.95**
Blue-Point LED UV Light Kit

- Includes rechargeable ultra-bright LED UV cord free swivel light (ACTUVLED8), rechargeable battery, UV glasses and battery charger

ROB16009 **\$899.70**
Robinair® Mini Refrigerant Identifier

- Verify the purity of refrigerant before servicing the vehicle
- Uncover hard to find contamination fast and accurate with a "pass" and "fail" indicator

ECFLED2HOUVA ~~\$123.95~~ **\$103.95**
Blue-Point LED Worklight w/ UV

- 2 hi-output LEDs produce 1,200 Lux at 0.5m
- Super-bright UV LED for leak detection
- Includes 110V AC and 12V car chargers (not shown)

SNLSM1WUV13 **\$66.30**
Sunlite® Slim UV LED Flashlight

- Most sensitive true UV LED leak detection light
- Performs better on dye than a 100W corded UV light
- Optional flexible tube (SNLFT13280; 12")

ECFUV150 ~~\$208.35~~ **\$164.95**
Blue-Point Rechargeable UV Flashlight Kit

- Inspection range of up to 20'
- 15X brighter than regular LED lights
- Power comparable to super-high intensity 150W lamps

ECFUVDUAL ~~\$116.95~~ **\$106.95**
Blue-Point Dual-Function UV/White Flashlight Kit

- 100,000 hour LED life
- Dual flashlight features super-bright blue and white light LEDs
- Fluorescence-enhancing glasses and holster (not shown)

ECFUV950 ~~\$99.50~~ **\$79.95**
Compact UV LED Flashlight

- 3 UV LEDs help locate leak seeking dyes quickly
- 2 blue LEDs provide light in dark areas
- Recessed lamp/lens with double O-ring seal

Limited quantities. Participating Representative only. Offer expires September 30, 2013. Offer cannot be combined with any other trade in or discount.

* Small Balance Extended Credit (SBEC) payments based on 26 weeks at 1%. Weekly payments are estimated with approved credit. Participating Franchisees only.

** Extended Credit (EC) Payments based on purchase price, less a trade in or cash down payment. 104 weeks at 19.8%. Weekly payment are estimated with approved credit (May be higher based on credit approval and/or state)

SERVICE TOOLS

2013 A/C Equipment & Tools | www.snapon.com

\$18.55*
PER WEEK • 26 WEEKS TERMS

MSL1475 \$481.70 Mastercool® Universal Hydraulic Flaring Tool Set

- Universal hydraulic flaring tool set accommodates the majority of today's automotive tube flaring needs like push connect, GM® fuel line, 45° double flare and metric ISO bubble flare

ACT1370 \$25.60 Blue-Point Disconnect Set

- Includes 6 tools for disconnecting A/C spring couplings
- Sizes: 5/16", 3/8", 1/2", 5/8", 3/4" and 7/8"
- Convenient plastic holder included

ACT407 \$24.45 \$13.95 Fin Straightener & Cleaner

- Multi-head tool handles 8, 9, 10, 12, 14, and 15 fins per inch
- 4 3/4" long

ACTR82375 \$61.30 \$51.50 Oil Injector

- Quickly adaptable to manifold gauge sets or charging equipment
- Add refrigerant oil or large amounts of UV leak detection dyes to the A/C system

ACT111B \$49.05 Compressor Oil Injector Adaptor

- Has an aluminum body and holds up to 2 oz. of oil
- Uses pressure differential of the high and low side of A/C system

TF528D \$160.45 Blue-Point® Tube Cutting & Double Flaring Set

- Contains TC28C Tubing Cutter and a double flaring set with a flaring bar, rod handle, yoke, and 5 adaptors: 3/16", 1/4", 5/16", 3/8" and 1/2"

TFM428 \$145.10 Blue-Point Metric Bubble Flaring Set

- For automotive brake systems
- Designed for crack free bubble flares on soft wall tubing up to a wall thickness of 0.028"
- Adaptors included for 4.75mm, 6mm, 8mm and 10mm flares

TF5A \$67.10 Blue-Point Double Flaring Tool Set

- Makes double or single flares on soft steel, brass, or aluminum tubing from 3/16" to 1/2" O.D.
- Makes a smooth fitting, crack free, 45° flare

ACT1300B \$144.85 \$122.95 A/C Clutch Remover Set

- Simplifies the removal/installation of Ford®, Chrysler® and GM A/C compressor clutch and clutch plates and provides access to shaft seals
- Now includes adjustable spanner wrench

ACT499A \$36.80 \$25.95 Adjustable Spanner Wrench

- Adjustable 3-stud design for GM R-4 compressors
- Also has applications on some GM, Warner, Pitts and Ogura clutches

ACT118B \$42.90 Blue-Point Spring Lock Coupler Set

- 4-piece set aids in disconnecting refrigerant line couplings on many '81 and later Ford A/C systems
- Color coded: red (3/8"); blue (1/2"); black (5/8"); beige (3/4")

ACT81290 \$12.80 \$8.95 R134a Universal Large Bore Remover

- Used on R12/R134a standard and JRA/EATON large bore R134a valve cores

ACT1290A \$12.80 \$8.95 Universal Valve Core Service Tool

- Removes and replaces standard size Schrader style valve cores plus the larger size found in GM systems

TBS300 \$69.95 Tube Bender

- Easily bend 1/4", 5/16" and 3/8" O.D. soft copper or aluminum tubing up to 180°
- Pull lever to easily disengage tool after bending

TC123CR \$39.35 Blue-Point Tube Cutter

- Handles tubing from 1/8" to 5/8" O.D.
- Can be used where clearance around tubing is less than 1 3/8"

TC15A \$68.25 Ratcheting Tube Cutter

- Ratchet action allows cutting all the way around the tubing by simply pumping the handle
- Handles 1/8" to 3/8" O.D. copper, plastic and PVC tubing

ACT1046C \$89.15 \$73.95 Blue-Point Flush Kit

- Provides pressure to flush condensers, evaporators and refrigerant lines
- Designed to work with any lightweight flushing material that can be mixed with pressurized air

SERVICE TOOLS / THERMOMETERS

www.snapon.com | 2013 A/C Equipment & Tools

\$34.67*
PER WEEK • 26 WEEKS
TERMS

ACT2100 ~~\$1,059.70~~ **\$899.00** Hydraulic A/C Hose Crimper Set

- Recrimp or install most barbed and beaded fittings on A/C hoses
- Create standard/custom length A/C hoses using recommended manufacturers hoses and fittings

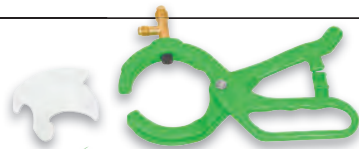

ACT2105 ~~\$49.50~~ **\$32.95** Orifice Tube Service Kit

- Install and remove any style orifice tube; remove broken screens and tubes
- Includes: auger point shaft, GM® puller, remover arbor, brass extension, puller and remover nut

ACT1297 ~~\$218.85~~ **\$179.95** R134a/R12 Master Valve Core Tool Set

- Unique design offers a locking device that holds the shaft in place when removing or installing the Schrader valve core

ACT413A ~~\$19.85~~ **\$15.50** Side Mount Can Tap Valve

- Fits R134a (2.88"), R12 (2.50") and Oil (2.00") U.S. Standard charge cans
- Includes 1/2" ACME®-M and 1/4" FL-M ports
- Internal safety check prevents system back flow

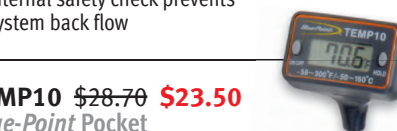

ACT91339 ~~\$39.95~~ **\$36.95** **NEW** Blue-Point O-Ring Service Kit

- Complete O-Ring assortment for use on R134a and R12 A/C systems
- 18 common O-Ring sizes (270 total) included

RTEMP8 ~~\$159.95~~ **\$134.95** Multi-Laser Infrared Thermometer

- Pinpoint air conditioning system restrictions
- Easy to read color screen
- Temperature range: -60° C to 760° C (-75° F to 1,400° F)
- Operating range: 0° C to 50° C (32° F to 122° F)
- Powered by two AAA batteries

TEMP10 ~~\$28.70~~ **\$23.50** Blue-Point Pocket Digital Thermometer

- Measures liquid, air and surface temperatures
- Digital display for easy viewing
- Angle viewing head can be lifted and rotated
- Convertible from Fahrenheit (F) to Centigrade (C)

TEMP3A ~~\$34.10~~ **\$30.95** Blue-Point Dual Sensors Digital Thermometer

- Range: -58° to 159° F
- View center vent air temperature from under the hood
- View A/C temperature while driving and set A/C under load by placing external sensor in vent

RTEMPB7 ~~\$64.95~~ **\$54.95** Blue-Point Infrared Thermometer

- Pinpoint air conditioning system restrictions
- E, MAX, MIN, DIF and AVG modes
- Temperature range: -35° C to 365° C (-31° F to 689° F)
- Operating range: 0° C to 50° C (32° F to 122° F)
- Powered by two AAA batteries

TEMP2A ~~\$34.00~~ **\$29.95** Blue-Point Digital Thermometer

- Range: -58° to 300° F
- Take accurate temperature readings on A/C systems, cooling systems and other applications
- Reads temperature of liquids, solids and gases

RTEMPB3A ~~\$117.05~~ **\$104.95** Blue-Point Infrared Thermometer

- Ideal for checking catalytic converters, exhaust manifolds
- Economical infrared thermometer, ranging -4° to 932° F

ACT2030 ~~\$76.00~~ **\$53.50** Blue-Point A/C System Analyzer

- Range: 32° to 120° F
- A microprocessor compares the A/C vent and outside ambient temperatures to determine acceptable systems performance

ACT73A ~~\$16.85~~ **\$12.95** Blue-Point 1 3/4" Diameter Thermometer

- Range: 0° to 220° F in 2° increments
- Checks temperature of condenser, outside air and cooling power

ACT83A ~~\$24.50~~ **\$14.50** Blue-Point 1" Diameter Pocket Dial-Type Thermometer

- Range: 0° to 220° F in 2° increments

Limited quantities. Participating Representative only. Offer expires September 30, 2013. Offer cannot be combined with any other trade in or discount.
*Small Balance Extended Credit (SBE) payments based on 26 weeks at 1%. Weekly payments are estimated with approved credit.

ACCESSORIES

2013 A/C Equipment & Tools | www.snapon.com

ASP75000 \$463.95
NEW Dual Automatic Recycle Guard w/ Hoses

- For R134a and R1234YF vehicles
- Fully automated, high and low side protection from debris, sealant, dye, excess lubricant and other contaminants, all in one unit
- No technician input required – switches automatically from recover to recharge
- One unit covers both high and low sides simultaneously
- Traps metal shavings, desiccant particles, sealant and other harmful contaminants
- Maintains refrigerant flow
- Use with every A/C service to protect against equipment damage

ACTFILTERPL
~~\$316.80~~ **\$275.95**
 Blue-Point Sealant & Dye Filter

- Helps prevent damage and lost earnings due to damaged A/C service equipment by filtering and separating A/C sealants, dyes and lubricants during vehicle service
- Damage results from Type I sealants (elastomer conditioner that causes seals to soften and swell) or Type II sealants entering A/C service equipment from a vehicle during servicing
- ACTFILTERPL not required or recommended for J2788 certified EEAC324A/325A and EEAC324B/325B recyclers

ASP72161 \$516.95
 A/C Charge Guard & 36" Lo Side Hose

- Eliminates electrical damage due to PAG oil entering electric compressors (hybrid vehicles)
- Allows you to service hybrid vehicles with existing A/C service equipment
- Exceeds SAE contaminant protection requirements for electric compressors
- Works with A/C service equipment that charges from the High Side, Low Side, or both
- Includes hoses and fittings for all standard A/C service equipment connectors

ASP72162 \$94.50
 A/C Charge Guard Replacement Filter

- 2-Pack

ASP75100 \$134.95
 Dual Automatic Recycle Guard Replacement Hose Assembly Kit

- 72" High / Low Side Charging Hoses
- Burst Resistant to 3000 PSI
- Quick connect fittings allow easy movement between all makes of A/C service equipment

ASP75112 \$94.50
 Dual Automatic Recycle Guard Replacement Filter

- 2-Pack

ASP75114 \$159.95
 Dual Automatic Recycle Guard Replacement Filter

- 4-Pack

YOUR SHOP'S A/C SERVICE OPPORTUNITY

Return on Investment	National Average	Your Shop's A/C Service Price
A. Price for A/C Service System Evacuation and Recharge	\$160.00	_____
B. Value of refrigerant recovered from vehicle being serviced Low charge in vehicle (1 lb.) and recovered at 95% efficiency.	\$8.33	_____
C. Material Cost (1.5 lbs. of R134a and PAG oil)	-\$13.50	_____
D. Labor/Overhead	-\$10.00	_____
E. Profit per Service (A+B+C+D)	\$55.95	_____
F. Monthly Profit (20 Services)	\$2,896.60	_____

Maintain your profitability and avoid costly "come backs" by ensuring critical charge accuracy! Refrigerant service equipment manufactured under the old standard cannot guarantee charge accuracy. Your choice, either EcoPlus® or KoolKare® Plus can pay for itself in just a few months.

 Important Credit Notice. Please be aware that the weekly payment factor is an estimate only and may not apply to you. Your actual payment factor may be different than the estimated payment factor shown. All credit sales contracts are subject to approved credit and the terms of the standard Snap-on Credit credit sales contract form (as applicable). Not all applicants will qualify. Taxes, installation and costs of financing, such as charges for filing UCC statements or insurance premiums are extra. Terms and interest rates will vary and such terms and interest rates are subject to change without notice. In the event you fail to make your payments when due, the terms of the contract will apply and late or NSF check charges may be due. Please contact us regarding finance terms and restrictions. The above payment factors are not valid for Canada customers.
