Welcome to the 2017 Scan Tool Spec Guide, brought to you by *Professional Tool & Equipment News*, *Professional Distributor and Fleet Maintenance* magazines.

Why a spec guide on diagnostic scan tools? Because the industry demands it. As vehicles become more and more complex, so does the fix. Before reaching for a wrench, many techs now reach for a scan tool first.

Diagnostic scan tools continue to prove their worth in successful shops across the U.S. Due to the overwhelming trend that turns vehicles into “computers on wheels,” shops must have the capabilities to diagnose multiple modules on the vehicle.

While OE scan tools have their place in some shops, it's also imperative for aftermarket operations to be able to diagnose multiple vehicles with a single diagnostic unit. This is where aftermarket scan tools come in.

Which tool is right for your shop?

The 2017 Scan Tool Spec Guide is an easy reference to compare multiple scan tools with similar functions. It is broken down into three sections: OBD-II Generic, OBD-II Enhanced and Heavy Duty, and features a total of 23 different scan tool manufacturers.

As the trend toward more complex and technology-driven vehicles continues, shops will need to keep up with the tooling required to diagnose them. The next several pages provide the most up-to-date product information for aftermarket scan tools available on the market today. **PTEN**

DIAGNOSTICS AT THE PRICE YOU NEED

3 POWERFUL MAXISYS TABLET SCAN TOOLS

MAXIMIZE BILLABLE LABOR HOURS, SHORTEN DIAGNOSTIC TIME AND COMPLETE REPAIRS FASTER WITH AUTEL MAXISYS.

MAXISYS MS906 8" SCREEN

MOST AFFORDABLE DIAGNOSTICS

- OE-Level Coverage / Light Duty Included
- Tethered Cable OBDII Connector
- Internal Battery Power
- Built to Replace DS708

MAXISYS ELITE 10" SCREEN

COMPLETE DIAGNOSTIC SYSTEM

- OE-Level / Light Duty / Medium Duty
- Includes J2534 MaxiFlash Elite
- Includes Mini Bluetooth VCI
- FREE Docking Charging Station

MAXISYS CV 10" SCREEN

COMMERCIAL VEHICLE DIAGNOSTICS

- Light Duty / Medium Duty / Heavy Duty
- Includes J2534 MaxiFlash Elite
- Auto Scan Diagnostics
- Transmission Active Tests

Most Important Feature	Built-in TPMS activation antenna	Depth of coverage and quality of coverage		Live Fault2Fix call center	Vast coverage of vehicles with bi-directional control	Offers a complete integrated support solution	Covering car, truck to equipment and more functionalities in HD truck.		OEM-level diagnostics, PATS, Power Balance		Bi Directional scan tool with Tech 2 Tech	Enhanced bi-directional coverage with color wiring diagrams	Vehicle DTC Scan in 30 seconds	Android-based comprehensive scanner for all makes	Full-system, full-color wiring diagrams on-tool	Auto-Scan, Detailed report containing fault codes and module information	SureTrack Expert Information System	Thorough coverage on European makes and supercars

Your Trusted Support Partner

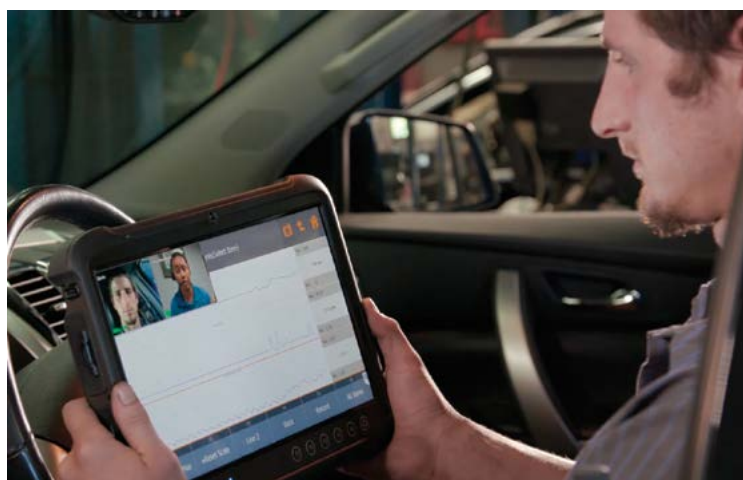

Get unlimited access to brand specific factory technicians that lead you through diagnostic or repair issues, including guided pass-thru programming support by our Farsight Live™ team.

Our platform offers one-touch support and brand specific factory technicians available with no hold times.

Even better, the included hardware allows our specialists to virtually come to your repair bay via face to face, on-screen, direct support.

**Reduce diagnostic time.
Increase car count and profit.**

Farsight's MVDS (Multi-vehicle diagnostics tool) is the most advanced platform available today. Equipped with the largest touch screen, ruggedized tablet with 8-hours of battery life, front and rear facing cameras and a 2D barcode VIN scanner.

With the Farsight tablet, you have access to patented ATS diagnostic software. This gives you a hand held no-code drivability analyzer, testing fuel trim, catalyst efficiency, mass air flow, relative compression test, inspection camera & 4-channel oscilloscope.

To learn more & see the Farsight Support System in use, visit farsightlive.com inquiries@farsightlive.com 1-516-367-0866

MOVE ON. WORK SMARTER.

NEW

**With TEXA truck diagnostics you get what you deserve:
Quality, no excuses.**

- The most comprehensive aftermarket coverage. Codes and wiring diagrams, interactive live data and thousands of activations and resets. Speed limiters, injector coding, forced regen and much more.
- Greatest return on investment, there are no required annual subscriptions and no skip penalties for missed updates.
- The Navigator TXTs can navigate all TEXA software environments: Truck, Car, Off-highway, Powersports and Marine.

Visit our website to find the closest TEXA dealer.

Scanning all engine, transmission, brake, chassis and body control for all trucks and off-road equipment, and computer control systems on cars, including hundreds of reset and bi-directional functions, (calibration and actuation test, cylinder cut out, DPF forced regeneration, injector coding, cylinder power balancing, and compression test).

-F3S Handheld HD Scanners

Model: F3SW CarPro; F3SN Truck Pro; F3SG Master Pro

Features:

- 1) Compact design
- 2) Scans in seconds
- 3) Easy-to-use, touch screen
- 4) Decrease fleet maintenance costs
- 5) Plug-n-play
- 6) Built-in thermal printer
- 7) Software pre-loaded
- 8) Affordable cost

-F7S Wireless Tablet HD Scanners

Model: F7SN Truck TabPro; F7SG Master TabPro; F6 Car TabPro

Features:

- 1) Anti-glare 10.5" HD touch screen
- 2) Industrial quality WIFI/Bluetooth
- 3) One-click online updates
- 4) Remote help via Team Viewer
- 5) Wireless diagnostics
- 6) Works independently
- 7) Decrease fleet maintenance costs
- 8) Affordable cost

G-Scan 2

FIX IT FAST!

• Best coverage for Asian Vehicles!

Combination of Japanese & Korean technology. OEM level hardware & software for Hyundai/Kia plus great Domestic and Foreign coverage!

• Scope - DVOM - CAN Line

4 Trace Lab Scope for signal analysis CAN Line inspection direct through the DCL means quick network diagnostics!

• Zero Second Boot Up

Park the G-Scan 2 in standby mode for instantaneous use!

• J2534 Pass-thru using G-scan 2

G-scan2 is the pass thru device for Hyundai & Kia – nothing else needed beyond the cal file!
