JULY FEATURE STORIES:

Edit Close: 5/21/2019 Ad Close: 6/5/2019

SUPPLY CHAIN FOCUSED PHYSICIANS

For the fourth consecutive year, **HPN** exclusively profiles physicians understanding, respecting and engaging (PURE) Supply Chain professionals to enhance their clinical practices and the patient care they deliver.

REPROCESSING WORKFLOW

The sterile processing department is one of the busiest and most stressful places to work. This story looks at the products, services and other solutions department staff are using to make their days flow more efficiently.

SURGICAL SUITE SAFETY TOOLS & TACTICS

From sharp's safety, instrument tracking, infection prevention protocols, surgical instrument innovations and more – keeping patients and clinicians safe in the OR requires a wide variety of approaches and solutions.

IMPROVING EMERGENCY PREP/OUTBREAK RESPONSE

When disaster strikes, facilities must be ready to respond. Whether it's a rash of measles cases, flood and fire victims, a mass shooting, or medical supply shortages, experts share how to be as ready as possible.

LABORATORY PURCHASING PLANNER

HPN examines the key products and services needed to improve cost effectiveness and supply chain efficiency within the lab that seeks to operate within or below budget without compromising quality.
