Introducing a unique opportunity to go one-on-one with high-level Lab Directors who are ready to meet with you!

**Come join us for 2 days of dynamic engagement at the first annual LAB DIRECTORS SUMMIT.**

Come personally meet U.S. Lab Directors looking for your solutions on December 9-11, 2019, located at a beautiful resort in Lake Las Vegas, NV. Share your vision with 40 high level lab decision-makers who have been pre-qualified to meet your expectations. You'll know their needs and they'll know you – before you arrive. Participation is limited to provide maximum exposure and minimum competition for your product.

The LAB DIRECTORS Summit is a 48 hour event with a custom agenda of one-on-one meetings, individual presentations, round-table discussions, matched meals, and special events. All your expenses are paid ... even your bar tab, for one low price!

Come experience The LAB DIRECTORS Summit ... where your competition is limited and your opportunities are unlimited.
